PROFIT WARNING

This announcement is made by LEAP Holdings Group Limited (the “**Company**” and together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Cap. 571, Laws of Hong Kong).

The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company and potential investors that after a preliminary review on the Group’s unaudited consolidated management accounts for the year ended 31 March 2017, the Group is expected to record a substantial decrease in net profit for the year ended 31 March 2017 as compared to the year ended 31 March 2016. This is mainly attributable to:

- a) keen competition in the market which led to (i) the decrease in revenue generated from the foundation business and (ii) the commencement of several foundation works projects with lower gross profit margin during the year; and
- b) unexpected increase in project cost of certain projects during the year which led to a substantial decrease in gross profit in foundation business.

The Company is still in the process of finalising the unaudited consolidated results of the Group for the year ended 31 March 2017. This profit warning announcement is only based on the Board’s preliminary assessment of the unaudited consolidated management accounts of the Group which are subject to finalisation and other potential adjustments, if any, and have not been confirmed or audited by the Company’s auditor. Shareholders of the Company and potential investors are advised to read carefully the results announcement of the Company, which is expected to be published in late June of 2017.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.

By order of the Board
LEAP Holdings Group Limited
Ip Ying Chau
Chairman
